

# INTERACTIVE SCROLLING DISPLAYS

For Hamilton Gold Line® Autocashier, ACW 4 & ACW 5 Models

*Brick Mount*

*Brick Mount with Tilt Feature*

*Display with Hood Enclosure*

Choose from any of our three types of displays for your ACW 4, ACW 5 or Gold Line® model Autochashier.

- Super bright LED's provide enough light to make this display easily seen... even in bright sunlight!
- Large, easy to read characters attract attention.
- Upon customer interaction, scrolling display mimics the LED on the face panel to easily guide customers through their transaction process.
- Stainless steel water proof enclosure protects against the weather.

Program the display with four lines of up to 40 characters each in upper and lower case. The possibilities for advertising are virtually endless!

- Convenience Store installations can promote in-store specials.
- Lube Centers can advertise oil change specials.
- Co-op advertisements with neighboring vendors and businesses.
- Promote the best wash.
- Promote specials and time sensitive discounts.
