Fall Promotion Update

Car Care World Expo 08

Hamilton Mfg Corp. cordially invites you to the Car Care World Expo 2008 at the Orange County Convention Center -Orlando FL April 8-10

Booth #1841

Customer Value Cards

Hamilton now has card envelopes available for your CVC's. As with any credit card or gift card it is very important to protect the magnetic strip on the back of the card. Scratches and scuffs can render a card useless.

Envelopes will help to protect the strip and insure a successful transaction.

For more information contact:

Tina Davis 888-723-4858 #202

Thank You Kirk Milano!

Kirk Milano has been a long time loyal customer of Hamilton Mfg. Kirk owns several car washes in the New Orleans area.

For the past several years Kirk has been kind enough to send us King Cakes to share. King Cakes are a tradition of Mardi Gras and are only available from January 6th thru Mardi Gras day.

All of us at Hamilton would like to thank Kirk for sending us the King Cakes and sharing a part of the Mardi Gras tradition.

NEW \$5 UPGRADE

Remember you should upgrade your Hamilton XE validator, with a factory programmed EPROM. These are available from Hamilton, or a factory authorized service center. Be cautious of "knock-off / pirate" XE EPROM. Hamilton will not warrant, or service validators with non-factory programmed E-PROM's. Older version validators like the HVX need to be upgraded to either an XE, or STA with the latest version software, to meet Hamilton's standards for bill acceptance.

NEW Gold Line Graphic Display

The 5.7" QVGA LCD flat screen Gold Line Graphic Display will give your customers a more pleasant visit at your place of business. The bright and easy to read display comes standard with all of the prompts in bold 256 color graphics.

After 5 minutes of non-use at the Gold Line, the display will go into a power save dim mode helping to expand the life of the display.

For an additional charge the Welcome prompt can be customized with your logo. This must be specified when ordering.

Featured Wash - Express Yourself

If you ever thought the phrase living

the American dream was just a cliché, think again. Just ask Tan Lee of U.S. Auto Wash. Originally from China Tan Lee moved to the United States in 1989. Before entering into the car wash industry in 2001, Tan owned and operated an electronics outlet. It was his knowledge of electronics and technology that attracted Tan to the Hamilton line of products.

Fall Promotion DAN Sales Contest Update

Congratulations to Doug Long of USA Auto Wash Systems, Inc for receiving second place in our DAN Sales Contest during last years Fall Promotion.

Doug and his team were able to sell four DAN Systems during the sales promotion and as a result received a \$750.00 Master

Card prize last week.

USA Auto Wash Systems covers Northern and Central Florida offering a full line of car wash related equipment and services to their customers. Doug has been selling and installing the DAN System since it's inception and even utilizes them at his own washes. For more information on the Data Access Network and what it can do for you and your customers, please contact the Hamilton sales office at 1-888-723-4858.

The Merchant winner of the \$500 gift card is D&S Mfg customer Jason Kado. Jason purchased 2 DAN systems along with other Hamilton Equipment. Congratulations Jason!

We would like to thank all of our distributors and customers for their continued loyalty.
